Technology stack: Laravel 6, React, Sugar CRM, Docker, GitLab, AWS, Jira.

Acquired skills and knowledge:

Laravel, Sugar CRM, rest api, docker

Aug 2019 - Dec 2019

5 months

Magento/Vue.Js Developer - Rockar UK (NTT Data)

Remote (from home) | IT Software | IT / Telecom

Development of features by extending the core Magento and Rockar modules. My main focus was the the "Buy A Car" user journey. Some key stories include:

- » product search including filtering
- » product grid
- » extend custom option functionality on the product details page
- » checkout process
- » extend configurable product data
- » back office order management

o <https://jaguar.rockar.com>

Technology stack: Magento 1.9, MySQL, Vue.Js, RabbitMq, Docker, JIRA, Git.

Acquired skills and knowledge:

GIT, Agile, Magento, Atlassian JIRA, rabbitmq, docker, vue.js

Aug 2018 - Jul 2019

1 year

Angular/AngularJs Developer - Moga Andrei Bogdan PFA

Remote (from home) | IT Software | IT / Telecom

Developed and launched 3 projects:

- » Daily Readings (iOS & Android) - the app includes a complete version of the English Standard Version (ESV) of the Bible, licensed from Crossway, meditation from C. H. Spurgeon and hymns (from Christian Hymns UK) to read or sing, along with the accompanying music.

o <https://play.google.com/store/apps/details?id=uk.org.christianhymns.daily.app>

o <https://apps.apple.com/gb/app/daily-readings/id1443057296>

- » Christian Hymns (iOS & Android) - features a collection of 942 hymns and over 1300 tunes for the Christian Hymns UK platform. Some app features include in-app Purchases, send feedback, database system, built-in media player, favorites list, intuitive and modern user-interface and many more.

o <https://play.google.com/store/apps/details?id=org.uk.christianhymns.app>

o <https://apps.apple.com/gb/app/christian-hymns-uk/id1000658062>

- » Christian Hymns UK - it's the presentation platform for the Christian Hymns and Daily Readings mobile apps. Developed entirely in AngularJS and with a REST API back-end build on .NET Framework 4.5, the website also includes e-commerce links to the Christian Hymns books.

o <https://www.christianhymns.org.uk>
